“This space is AMAZING! We hosted a wedding ceremony for 25 people and could not have asked for a better location. Everything is exactly as pictured (if not better!) and we didn’t need to bring anything to achieve the look/feel we wanted. Our pictures are better than we ever imagined.”

MARYKATE F.

“We had our wedding here. It was the most magical night full of laughter, life, and love. The actual venue itself is charming, and kind of a blank slate. We transformed it into a house party/play house/wedding. Memories for a lifetime.”

JAKUB R.

“I booked this space to take wedding photos with our bridal/groom parties and families and it couldn’t have been more.”

ANDREA O.

“ TESTIMONIALS

“We rented this space for our wedding and we could not be happier. The space was nicely lit and cozy for an intimate wedding ceremony. When the lights went down and the music went up, it turned into a hip warehouse rave vibe which blew our guests away. I highly recommend this place! We could not be happier with the way it turned out.”

NEESHA V.

“We had an amazing engagement photoshoot here and everything is so perfectly decorated! I would definitely recommend this spot to anyone.”

JORDANIS J.

“My future wife was amazed and marveled the unique features of the space. It was perfect for my surprise engagement.”
